

Delta Dental Broker Rate Calculator A How-To Guide

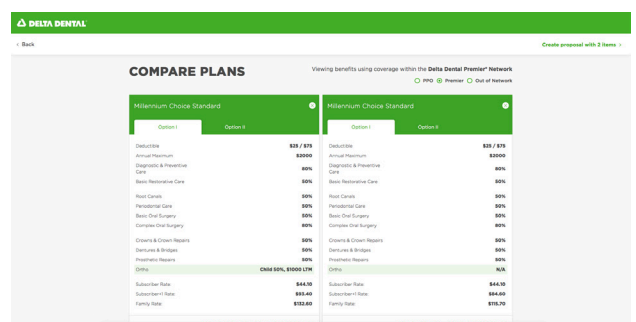

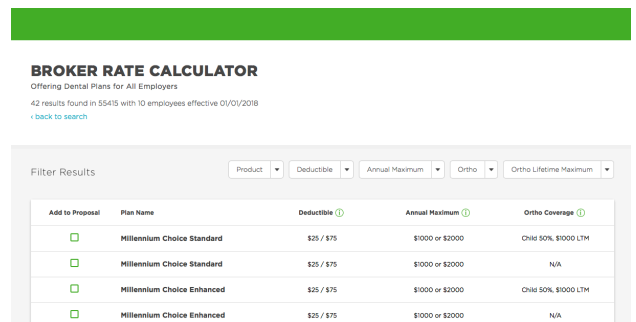

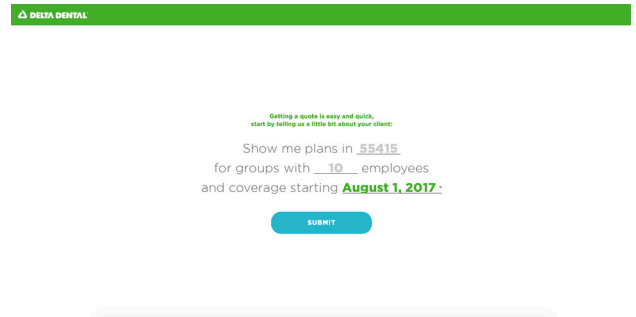

Delta Dental of Nebraska

We're excited to debut our redesigned Broker Rate Calculator (BRC); it's a new way to generate your quotes for customers! This new BRC is no longer behind the secure portal, making it easier than ever to create your proposals.

If you have bookmarked our previous BRC on your web browser please replace it with our updated link: DeltaDentalNE.org/Agents

Here's how it works:

1. Fill in the designated fields on the home page.
2. Click **'Submit'** to start finding plans that meet your customer's unique needs.
3. Use the filters on the top to narrow down the plans that fit your group's specifications.
4. Want to compare multiple plans?
 - a. Select all the products you would like to compare by checking the boxes on the left.
 - b. Click the view and compare option at the bottom of the page which will appear after you have selected two or more plans.
 - c. Within the Compare Plans view, you can toggle between multiple plan options, PPO, Premier and Out of Network benefits and view brochures and plan guidelines.
5. Once you have found a plan or plans that fits the needs of your customers click **'Create Proposal'**.
6. Your proposal will be created instantly and provide you with the options of copying a URL or downloading a PDF version.

Log on today to see just how fast and easy it can be!
