

Bringing Smile Power to Your Workforce

Providing dental insurance creates a happier, healthier workforce

At work, the health and well-being of your team is key to success. Delta Dental understands the power of a healthy smile, and we help you provide your employees with the dental insurance they need to protect it. Dental insurance plans are critical to employee health and wellness because they:

Help employees stay healthy:

78% of Americans are more likely to seek preventive or restorative care with dental insurance.²

Protect your employees from high costs through negotiated network discounts:

The result? More frequent visits to the dentist and improved overall health.

Boost workplace productivity:

1 in 5 American adults missed work in 2016 due to oral health concerns.³

The Delta Dental Difference
